

## **Higgins is the most qualified**

### **Editor:**

Pat Higgins is the only candidate who has experienced the challenges of a general election and service to his constituents.

I believe he has demonstrated good judgment and personal growth during this tenure. Pat Higgins proved that he had the greatest depth of understanding on a wide range of 5<sup>th</sup> District and County issues at the recent forum in McKinleyville.

This accumulated knowledge is of critical importance when it come to “day-today” governance: both in building on past County promises and realizing new opportunities when they materialize.

Pat Higgins has walked the neighborhoods many times through the years in order to understand your concerns while other candidates accumulate money and endorsements from outside the 5<sup>th</sup> District. Let Pat Higgins put his diverse background of science and business to work for the 5<sup>th</sup> District. I think he is the most qualified.
